PROFILE

I am a dedicated healthcare consultant with extensive experience in community engagement, social determinants of health, and project management. My work focuses on fostering sustainable partnerships, leading cross-functional teams, and managing health initiatives from concept to execution, ensuring alignment with community health needs and improvement plans. I excel in stakeholder engagement, strategic planning, and delivering data-driven insights to enhance community well-being.

WORK EXPERIENCE

Carrie Prechtel Consulting; Common Thread Consulting

Social Determinants of Health Consultant 2022 - PRESENT

Empowering Communities

- Project lifecycle orchestration for timely, budget-compliant delivery
- Effective team coordination to meet milestones
- Robust evaluation for data-driven insights and continuous improvement

Strategic and Event Management

- Innovative stakeholder engagement strategies and actionable plans
- Concept-to-fruitation event execution with attendee satisfaction focus
- Seamless logistics, vendor, and promotion management for events

Community Involvement and Team Dynamics

- Sustainable partnership fostering through community initiatives
- Cross-functional teamwork facilitation for synergy
- Conflict resolution and team cohesion maintenance

AllCare Health CCO

Community Engagement Manager 2019 - 2022

Initiatives Management

- Directed Community Benefit Initiatives funding and maintained Smartsheet applications.
- Delivered reports per OHA Ex. L requirements and managed AllCare Community Advisory Councils.
- Oversaw initiatives including Social-Emotional Health Metric, Connect Oregon, and Raising Resilience PSA campaign.

Community Engagement & Partnerships

- Engaged local governments, Tribal Organizations, and stakeholders to assess community health needs.
- Led development of Community Health Assessments (CHA) and Community Health Improvement Plan (CHIP).
- Attended community meetings and facilitated collaboration with regional CCOs/CACs.

Project Development & Systems Change Initiatives

- Ensured projects align with Community Health Improvement Plans and Quality Improvement Plan.
- Managed CHIP implementation, budget, and reporting.
- Coordinated initiatives with other AllCare projects and investments.

Reporting & Compliance

- Developed Council policies for effective operations.
- Directed production of reports to Oregon Health Authority, CCO Board, and AllCare Health staff.
- Published an annual CHIP Progress Report and tracked AllCare's SDOH-E spending programs.

WORK EXPERIENCE

211info

Community Engagement Coordinator

2016 - 2018

211info Achievements

- Built partnerships with nonprofits, agencies, and organizations in Southern Oregon
- Demonstrated 211info's value to over 300,000 partners and consumers
- Gathered feedback to enhance local and statewide 211info services

Outreach and Database Management

- Conducted outreach and training for top service providers and stakeholders
- Collected and maintained accurate local resource information

Strategic Development

- Developed strategies to identify and engage new stakeholders
- Established 211info as a leader in information, referral, and specialty programs

PROJECTS INCLUDE

Southwestern Oregon Workforce Investment Board (SOWIB)

Traditional Health Worker Training Program, September 2022 - Present

Serves as the contracted project manager for the training program to train over 80 Traditional Health Workers in Coos, Curry, and Douglas Counties in rural and underserved communities.

Josephine County Prevention & Treatment Services

School Outreach Officer Services Evaluation, January 2023 - June 2023

Led the engagement of stakeholders for an organizational assessment of the School District Outreach Officer Program. Josephine County has School Outreach Officers (SOOs) placed in each high school focusing on intervention and prevention for youth.

Willamette Education Service District

Inclusive Services Program Evaluation, August 2023 - September 2024

Evaluated Inclusive Practices in the Willamette Education Service District region, strategizing with critical partners who are working with students and families to provide inclusive services.
